

# TERI PACKARD SCHOLARSHIP FUND

Teri Packard was a long-time educator in the Federal Way School District and was a strong advocate for children, public education, and union leadership. Teri served as president of the Federal Way Education Association from 1999 to 2001 and retired after 31 years of dedicated service to the children of Federal Way in June, 2001. Before her death in 2007, Teri established a scholarship fund for the children of FWEA members to be used for continuing education in a field of their choice. Thanks to her generosity, the Federal Way Education Association is pleased to announce the formation of the Teri Packard Scholarship Fund. Each year, the scholarship fund will award a scholarship to a qualified applicant. Thanks to Teri's generosity, her vision and spirit will continue to live on in Federal Way for many years to come.
